

## Welcome Message from the Chairperson

**Bro. Terry Mkhonto**

Chairperson – AOG BTG Bushbuckridge Youth Structure

Dear Brothers and Sisters,

It is with great joy and gratitude that I welcome you to the official website of the **AOG BTG Bushbuckridge Youth Structure**. This platform has been established as a foundation for communication, transparency, and empowerment, serving as a central hub where our youth, leaders, and community can connect and engage more effectively.

The intention of this website is to provide access to important information, updates, and opportunities that strengthen our collective vision. It is designed to foster greater engagement, accountability, and unity as we continue to build a faith-driven future together.

This has truly been a **journey into realizing a long-awaited goal for the youth of Bushbuckridge**. As the **first-ever website** of its kind, it will serve to connect the youth of the Assemblies of God regionally, across the **SADC area**, and also extend engagement to everyone outside of our church community.

This is only the beginning. As time goes by, more features and data will be added to enhance your experience and ensure that the website grows into a comprehensive resource for all.

We are also excited to share that **inspirational and faith-building content will be featured on a monthly basis**, offering encouragement and spiritual nourishment to strengthen our walk with Christ and empower our youth.

Looking ahead, we are pleased to announce that starting in **2026**, applicants for the **2027 Study Loan Program** will be able to **complete, attach, and submit their study loan applications online** directly through this platform, that feature will be added before the 2027 application period opens. This marks a significant step forward in making our processes more accessible, efficient, and transparent.

We look forward to your active participation and engagement as we continue to expand and strengthen this digital foundation. Together, we will ensure that the vision of empowering our youth through education, faith, and service is realized.

Yours in Christ,

**Bro. Terry Mkhonto**
